How do I get into the ONlive music club?

First of all you **get into the club - Visitor**
– limited to 100 participants

The first 100 people to register or buy a ticket via www.onlive.at are automaticall club visitors (via ZOOM) and have the option to get into the first row of the concert.

Then you might **get into the first row - VIP**
– limited to 25 participants

Club visitors in the first row will be seen by and can interact with the band, they might also show up in the official live-stream. The first row on ZOOM is called „panelist“.

What do I need for ONlive?

Basically all you need is a **laptop**,
or a **PC** with camera and microphone.

...and if push comes to shove, a
smartphone or tablet with ZOOM app works
as well...

For the ONlive music club you don't need
to download or install any programmes!

Club atmosphere @ home

A few tips for the set-up:

Good: Laptop / PC (with camera and microphone)

You watch and listen to the live-stream via ZOOM and interact with the band on your laptop / PC. Ideally you connect superior headphones or a hi-fi system for maximum sound quality.

Much better: Laptop / PC + monitor / TV / Beamer

You connect your laptop / PC to a large external monitor, TV, or beamer to get proper club atmosphere. You interact via ZOOM on your laptop / PC. Ideally you connect superior headphones or a hi-fi system for maximum sound quality.

Sometimes bigger IS better!

Before the show...

Admission starts half an hour before the beginning of the show. Get in, take a look around, test your settings.

Activate your camera and microphone

TIP: you have the option to change your background and also name during the show

Before the show starts, the hosts welcomes all guests.

The host chooses the first 25 VIPs for the first row from among the 100 visitors. And don't worry - there is always a chance to get into the first row during the show!

The band gets on stage!

During the show...

...all settings are regulated by the host.

To avoid distracting noises, the host may silence all visitor sounds. If you have been muted, you will notice that the mic-symbol is crossed out in your toolbar.

If you are in the first row, you will be able to see yourself on our official live-stream.

YOU are part of the performance!

How do I get into the first row?

- >my camera shows me well
- >my background has club-atmosphere
- >I am enjoying myself, dance and applaud

If the host still hasn't put you into first row, simply click on the „Raise Hand“ symbol in your toolbar so the host notices you.

TIP: Use the option „Chat“ to chat (or flirt? ;)) with other visitors and VIPs?

Some basic rules so that everyone can feel comfortable:

NO nudity

NO explicit language

NO inappropriate behavior

Otherwise the host may have to call security ..

After the show...

...you can still hang out in the club – maybe with a cool drink?

At the end of the show the host will give away **goodie bags** for the most active club visitors and VIPs.
